

## **Terms of Use for CET Website**

Welcome to the CET website. The site is run and operated by the Center for Educational Technology (hereinafter: "CET"). Use of the Website, including the content contained therein and the various services operating therein, signifies your acceptance of these Terms. Please read them carefully. You will also find links to content that are subject to, in addition to these general terms of use, an online agreement that specifically addresses them.

These Terms apply to the use of the content contained on the Website through a computer or other device (cellular phone, tablet, etc.). They also are applicable to the use of the site using the internet network or all other means of communication.

The terms of use are written with the use of male pronouns for the purpose of convenience only, and they, of course, refer to women as well.

Under these terms of use, the term "content" includes all content whether verbal, visual, vocal, audio-visual and any combination thereof and their design, processing, editing, distribution and manner of presentation, including (but not limited to): any image, photography, illustration, animation, chart, figure, visualization, sampling, video, voice file, and musical file; As well as all the technological tools used to operate the site, including any software, file, computer code (including source code), application, arrangement, protocol, database and interface, and any character, symbol and icon.

### **Copyright**

You may use the content provided for you on the site for, private, personal, educational, and research purposes only. The intellectual property rights, including the copyrights and moral rights of the creators in the works appearing on this site are owned by CET and / or the creators and / or publishers as set forth in the body of the work.

### **Intellectual Property Rights**

The intellectual property rights, including the copyright on the site, its planning, design and the technological tools used by the site (including the products of the conversion to the online dimension and source code) are owned by CET.

You may not reproduce, copy, photograph, record, translate, store or transmit in any way or by any electronic, optical, mechanical or other means, any part of the materials on this site. In addition, any commercial use of the site content, as defined above, in all or part, is forbidden until and only after obtaining express written permission from CET explicitly. Do not disrupt or interfere with any service or website, servers or networks related to the service or website. Do not post, send, or transmit in any way any material which includes viruses or software code, files or programs intended to disrupt, disable or limit the functionality of the Website Software or computer hardware or users' telecommunications

equipment. In the case of copying or using materials found on the site and displaying them off-site, permits must adhere to and strictly follow these Terms of Use and it is mandatory to name the source of the publication and the site's name.

## **Links**

This site contains links to other sites. The instructions below apply to the use of these links and do not detract from the other terms of use. The links provided are for the convenience of users only. In the case of links to external sites that do not belong to CET (third-party sites): Unless otherwise stated on this site, CET and third-party site owners have no legal or commercial relationship, and therefore CET has no control or right in the material contained on these sites.

CET is not liable for the content found on third party sites. In providing links to third-party websites it should not be construed as CET providing a seal of approval, recommendation or preference to those linked sites, including the documents and any other material contained therein, the site operators or the products presented therein.

## **Responsibility**

CET will not be responsible for adjusting content for user needs and mistakes or errors in the material presented on the site.

For the purpose of this section, "CET" is inclusive of its employees and representatives.

## **Privacy Policy**

Upon using the site, information about the user is collected. By using the Website and its Services, you consent to any use which may be made of the information collected about you as set forth in this policy. You further declare that you as the adults or minors (under the age of 18) who use the Website are subject to parental consent and / or legal guardians authorized to enable/ authorize its use.

CET may use the information provided by a user, as well as any information collected about the user's usage patterns by tracing the use of the site (including through files, hereinafter "Cookies") for the purpose of improving services, information and content. Cookies are files that are on the hard disk of a user's personal computer that allow them to collect information about the user's preferences on the Internet and their usage habits, such as favorite websites, interests, and the like. The cookies used by CET allow it to tailor the site, content and services offered on the site to users' preferences to enhance the browsing experience on the site. If you do not wish to have your preferences and information collected through the use of cookies while using the CET site, you can change the settings in the browser you are using, delete existing cookies, prevent the creation of new files, or create an option whereby by each cookie will be presented to you so that you are able to agree to its use or refuse it before proceeding. Choosing not to accept cookies and / or opting out of cookies will reduce your ability to enjoy all the interactive features on the site.

Use of the information provided by users is subject to the following conditions:

- \* We only collect information provided to us by users and of their own volition.
- \* CET pledges not to transfer the information collected to another body, unless the law dictates it do so.

In addition to the information listed above, additional statistics may be collected in part that do not allow users to be personally identified and are intended, among other things, to improve the level of services and products of foreign exchange, research and development (including through third parties), to create new products and services or for purposes of site maintenance and control. It is clarified that the user will have no right in such data or related products.

CET pledges to keep all information about users protected in a registered database, to be used if required in accordance with the Privacy Protection Act, 1981.

You have the right at any time to access any information provided by you or collected about you in order to confirm the accuracy and reliability of the information. Your right to receive the information, to demand the removal of the information ("the right to be forgotten"), your right to object to the processing of the information and thus your behavioral profile will be created as a result.

## **Data Security**

CET will take all reasonable steps to secure the information provided by users. Having stated as much, CET cannot guarantee that the information and communication systems security against unauthorized intrusions is iron clad and 100 percent infallible in prohibiting its use by third parties. Therefore, CET shall not be liable, directly or indirectly, in the case of the disclosure and use of the information provided by the user, directly or indirectly, from unauthorized penetration of others or as a result of acts and / or omissions which are not controlled by CET.

This policy is designed to protect users' online safety.

## **Law and Jurisdiction**

1. The laws of the State of Israel will apply solely for the use of the Website.
2. Any matter arising from the use of the Website, including the services provided by registering with the Website, falls solely and exclusively under the jurisdiction of the competent courts of Tel Aviv.

**I have read and agree to the terms of use of the site and confirm that I will act in accordance with them.**
